Any alteration in the investment pattern will be for short-term defensive consideration as per Clause 1.14.1.2 of SEBI Master Circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 the intention being at all times to protect the interests of the Unit Holders.

Tracking error

Tracking error is a measure of the difference in returns from the Scheme and the returns from the underlying benchmark. It is computed as the standard deviation of the difference between the daily returns of the underlying benchmark and the NAV of the Scheme on an annualized basis.

Tracking error could be the result of a variety of factors including but not limited to:

- Payment of scheme expenses.
- Investment in Debt and money market instruments to meet redemption / other liquidity requirements.
- Disinvestments to meet redemptions, recurring expenses etc.
- Execution of large subscription / redemption transaction.
- Levy of margins by exchanges

	<p>The AMC would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. The annualized standard deviation of the difference in daily returns between the underlying benchmark and the NAV of the scheme based on past one year rolling data shall not exceed 2%.</p> <p>In case of unavoidable circumstances in the nature of force majeure, which are beyond the control of the AMCs, the tracking error may exceed 2% and the same shall be brought to the notice of Trustees with corrective actions taken by the AMC, if any. Index in existence for a period of less than one year, the annualized standard deviation shall be calculated based on available data. However, Tracking Error of Index is likely to be low as compared to a normal index fund.</p> <p>There can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the underlying benchmark.</p>
Investment Strategy	<p>Groww Gold ETF is a passively managed fund which will employ an investment approach designed to track the performance of domestic price of Gold.</p> <p>The Scheme will invest at least 95% of its total assets in the Gold or Gold related instruments. It may hold up to 5% of their total assets in debt or money market securities.</p> <p>The expectation is that, over time, the tracking error of the Scheme relative to the performance of the Underlying benchmark will be relatively low. The Investment Manager would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible.</p> <p>There can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to the performance of the underlying benchmark.</p> <p>Portfolio Turnover Policy</p> <p>Portfolio Turnover measures the volume of trading that occurs in a Scheme's portfolio during a given time period. The Scheme is an open-ended Exchange Traded Fund and it is expected that there may be a number of subscriptions and repurchases on a daily basis through Stock Exchange(s) or Market Maker and Large Investors. Generally, turnover will depend upon the extent of purchase and redemption of units and the need to rebalance the portfolio on account of change in the composition, if any, and corporate actions of securities included in Domestic Price of Physical Gold. However, it will be the endeavour of the Fund Manager to maintain an optimal portfolio turnover rate commensurate with the investment objective of the Scheme and the purchase/ redemption transactions on an ongoing basis in the Scheme.</p>

6. PREVENTION OF MONEY LAUNDERING AND KNOW YOUR CLIENT (KYC)

In order to reduce hardship and help investors dealing with SEBI intermediaries, refer SEBI Master circular for Mutual Fund dated May 19, 2023 informing SEBI registered intermediaries as mentioned therein to follow, with effect from January 01, 2012, a uniform KYC compliance procedure for all the investors dealing with them on or after that date. SEBI also issued KYC Registration Agency ("KRA") Regulations 2011 and the guidelines in pursuance of the said Regulations and for In-Person Verification ("IPV").

All investors (individual and non-individual) are required for KYC compliance. However, applications should note that minors cannot apply for KYC compliance and any investment in the Name of minors should be through a Guardian, who should be KYC compliant for the purpose of investing with a Mutual Fund. Also applicants/unit holders intending, to apply for units currently holding units and operating their Mutual Fund folios through a Power of Attorney (PoA) must ensure that the issue of PoA and the holder of the PoA must mention their KYC compliance status at the time of investment. PoA holders are not permitted to apply for KYC compliance on behalf of the issuer of the PoA. Separate procedures are prescribed for change in name, address, and other KYC related details, should the applicant desire to change such information, POS will extend the services of effecting such changes.

In line with the refer SEBI Master circular for Mutual Fund dated May 19, 2023 and various other guidelines issued by SEBI on the procedural matters for KYC Compliances, the Investors are requested to note the following additional provisions shall be applicable for "KYC Compliances" with effect from December 1, 2012:

1) In case of an existing investor of GMF and who is already KYC Compliant under the erstwhile centralized KYC with CVL (CVL/MF) then there will be no effect on subsequent Purchase/ Additional Purchase (or ongoing SIPs/STPs,etc) in the existing folios/accounts which are KYC compliant. Existing Folio holder can also open a new folio with Groww Mutual Fund with the erstwhile centralized KYC

2) In case of an existing investor of Groww Mutual Fund and who is not KYC Compliant as per our records, the investor will have to submit the standard KYC Application forms available in the website www.cvlkra.com along with supporting documents at any of the SEBI registered intermediaries at the time of purchase / additional purchase / new registration of SIP/STP etc. In Person Verification (IPV) will be mandatory at the time of KYC Submission. This uniform KYC submission would a onetime submission of documentation.

3) Investors who have complied with KYC process before December 31, 2011 (KYC status with CVL KRA as "MF - VERIFIED BY CVL/MF") and not invested in the schemes of Groww Mutual Fund i.e not opened a folio earlier, and wishes to invest on or after December 01, 2012, such investors will be required to submit 'missing/not available' KYC information and complete the IPV requirements.

Update of 'missing / not available' KYC information along with IPV is currently a one-time requirement and needs to be completed with any one of the mutual funds i.e. need not be done with all the mutual funds where investors have existing investments. Once the same is done then the KYC status at CVL KRA will change to 'Verified by CVL KRA' after due verification. In such a scenario, where the KYC status changes to 'Verified by CVL KRA', investors need not submit the 'missing/not available' KYC information to mutual funds again.

Individual Investors are required to submit 'KYC Details Change Form' issued by CVL-KRA available on their website www.cvlkra.com.

In case of Non Individual investors, complied with KYC process before December 31, 2011, KYC needs to be done afresh due to significant and major changes in KYC requirements.

Investors need to provide the complete details in the KYC application form along with the required documents (for individual investors or non-individual investors as appropriate). The said form is available on GMF's website i.e. www.growwmf.in or on the website of Association of Mutual Funds In India i.e. www.amfiindia.com or on the website of any authorised KRA's.

- In case of NRI/ FPI investors the Account Statements / Redemption Cheques / Other correspondence will be sent to the mailing address mentioned.
- All applications are accepted subject to detailed scrutiny and verification. Applications which are not complete in all respects are liable for rejection, either at the collection point itself or subsequently after detail scrutiny/verification at the back office of the registrars.

If this is not evidenced on the payment cheque/funds transfer/RTGS/NEFT request, demand draft etc given by the investor at the time of subscription then unit holder should attach necessary supporting documents as required by the fund like bank certificate, bank passbook copy, bank statement etc to prove that the funds are from a bank account held by the first unit holder only.
